

## 2 Aldermanbury Square Development Community update

ISSUE 21  
March 2024

### Introduction

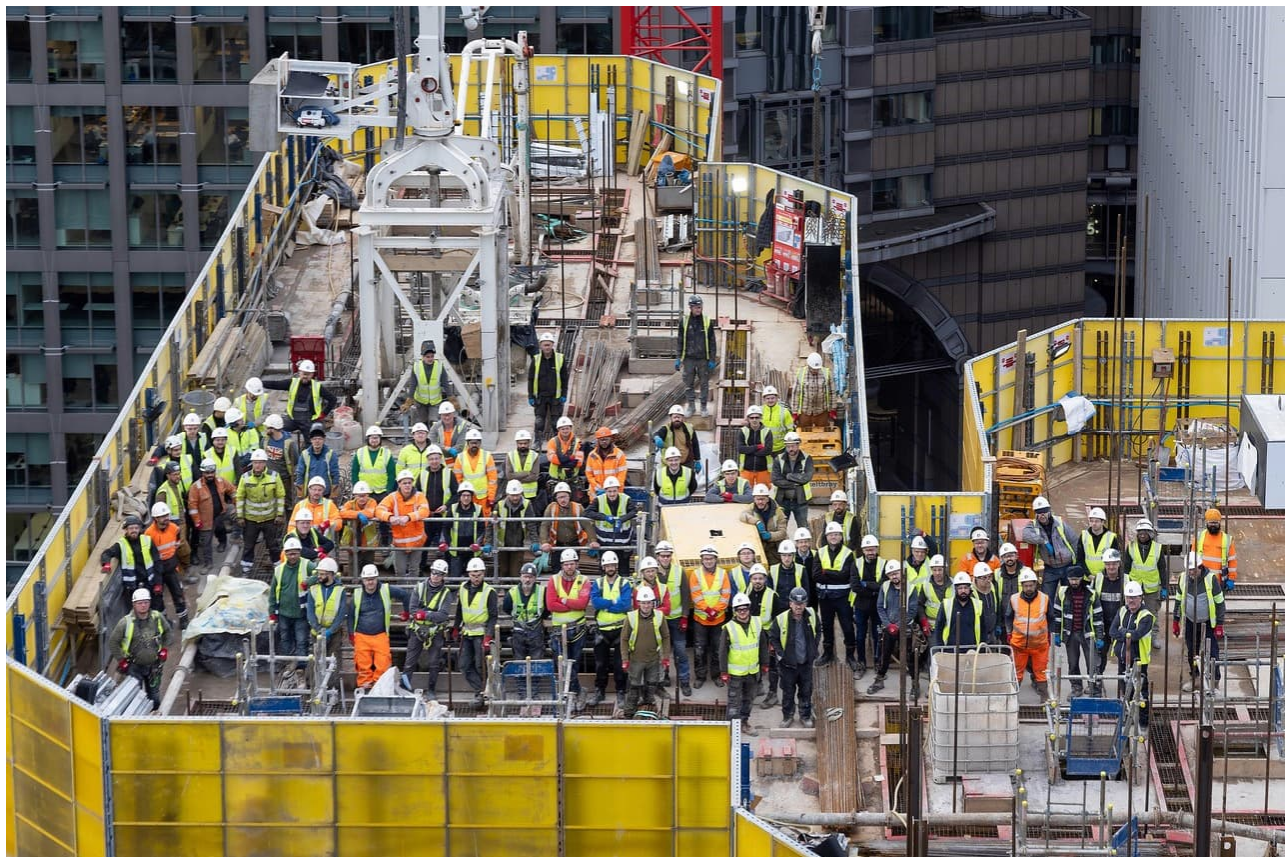

Welcome to issue twenty one of the 2 Aldermanbury Square Development Community update. It is our aim to keep you, the local community, informed of forthcoming activities and progress with regular information and publications.

This will be our final engagement on this communication before Lendlease takes over as Principal Contractor on 8<sup>th</sup> of April.

I would like to use this opportunity to sincerely thank everyone for their continued support and understanding while we carried out our package of works, for the patience of noisy works and unplanned overruns, for being good neighbours thru this all.

Keltbray and GPE focus always was and will be, to have minimal impact on the surrounding communities while the projects are built and for the same communities to get most benefit once the project are completed.

Keltbray will be staying on for the follow-on works, as the concrete works subcontractor, so if there is any questions that you would like to ask us - we will still be there for you.

Thank you from team Keltbray!
