## NEWSLETTER

## SEPTEMBER 2024

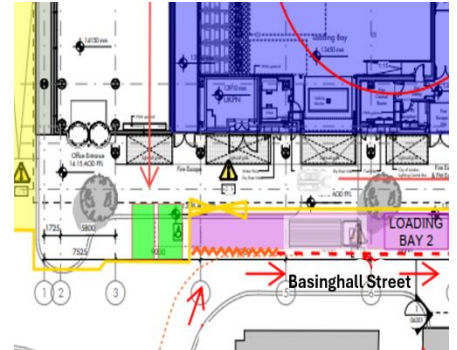

### Dear Neighbours,

Welcome to our regular update on the 2 Aldermanbury development from Lendlease. This regular newsletter will keep you up to date with the progress we have made, what we will be working on in the coming months, community events you can get involved with and how to get in touch.

### Construction Update

During August there has been a continuation of the install of structural steel work with good progress made, steel is now being installed up to Level 9. The Bridge sections which form upper walkway from the Guildhall to 2 Aldermanbury Square, have now been delivered & have been bolted together on site. A mobile crane which will be sited on Basinghall Street/Avenue on Saturday 31<sup>st</sup> August will be lifting the bridge into position, this will take a full day of lifting operations. The crane will arrive at 5am and be parked up. When site opens at 9am the rigging of the crane will start. The bridge section is one lift & will be lifted into position once the crane has been fully erected. The road closure will be in place until 11pm.

Looking ahead to September we will be making amendments to our hoarding on Basinghall Street layout to accommodate the installation of our twin external hoists to facilitate the façade installation. We will be suspending the disabled car parking bay by Aldermanbury Square, reference DBS3. These works will commence from 9<sup>th</sup> September 2024 & be in place until October 2025.
