NEWSLETTER

NOVEMBER 2024

Dear Neighbours,

Welcome to our regular update on the 2 Aldermanbury development from Lendlease. This regular newsletter will keep you up to date with the progress we have made, what we will be working on in the coming months, community events you can get involved with and how to get in touch.

Construction Update

During October and into November there has been a continuation of the install of structural steel work with good progress made, steel is now being installed up to Level 13, the final floor. Cladding has started on the lv3 skirting panels which will continue to be wrapped as the cladding panels are installed.

Concrete has reached Lv8 on the floors and our hoist on the South elevation has been installed up to Lv5.

Looking ahead in November we will be installing a passenger hoist on the East elevation. Our cladding continues on Gnd to lv3 and has progressed to the South elevation.
