# 2 Aldermanbury Square

## OCTOBER 2024

lendlease

#### Dear Neighbours,

Welcome to our regular update on the 2 Aldermanbury development from Lendlease. This regular newsletter will keep you up to date with the progress we have made, what we will be working on in the coming months, community events you can get involved with and how to get in touch.

#### **Construction Update**

During September and into October there has been a continuation of the install of structural steel work with good progress made, steel is now being installed up to Level 11. The new bridge sections have now been installed over to 65 Basinghall Street.

All the large plant items have now been lowered into B2 and the "mole hole" has been closed up. Our twin hoists have been installed to the South elevation on Basinghall Street. This allows continued construction on the upper floors now the concrete has been poured up to level 5.

Looking ahead to October we will be making amendments to our hoarding on Basinghall Street and installing gates to allow glass deliveries to access the project. The cladding team have started to install the stick system to the East elevation and will start on the South, glass will follow this month.

#### **Working Hours**

General working hours during this time will be: Monday – Friday: 8am – 6pm Saturday: 9am – 2pm
