

2 Aldermanbury Square

lendlease

NEWSLETTER

FEBRUARY 2025

Dear Neighbours,

Welcome to our regular update on the 2 Aldermanbury development from Lendlease. This regular newsletter will keep you up to date with the progress we have made, what we will be working on in the coming months, community events you can get involved with and how to get in touch.

Construction Update

We have installed and secured the final piece of steel at 2 Aldermanbury Square, ahead of schedule. We have successfully removed two of three of our tower cranes. Cladding has already reached Lv7 & we are starting to take deliveries for Lv8.

We had a great result with our last Considerate Constructors Scheme visit & scored 45 out of 45, and look forward to the City of London judges for the "Chairman's award", the best project in the City of London.

All concrete floors have been poured. Our hoist on the South elevation has been installed up to Lv9 & on the East is being erected up to Lv10. There are 3 raking columns to be poured before the concrete team leave the project.

Looking ahead in March we will be starting our feature staircase which runs from B1 to Lv1 & fitting out our new showers and changing facilities in B1. Our goods lifts for the project have started last month.

Working Hours

General working hours during this time will be:

Monday – Friday: 8am – 6pm

Saturday: 9am – 2pm
